

Winter weather flying

A "Brunch" Breakfast will be served from 10:00 - 11:00 AM. Immediately after breakfast at 11:00 AM, Mr. George Futas, CFII and FAA FAASafety Team Representative will share his personal experience with rapidly changing winter weather and airplane conditions that required in-flight decisions and change of plans. He will discuss weather tools he uses today, and present example flight conditions and situations for discussion.

Directions: Take I-5 North or South to Hwy 20, West to Higgins/Airport Drive, North to Airport/Cafe.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
